SPACE SWEATER LIMITED

ABOUT US

Space Sweater Limited is a Compliant, Socially Responsible, Ethical, Safe, Diversified and Specialized Sweater Manufacturer Since 2006.

We have skilled, motivated, dynamic and talented workforce to execute each and every order uniquely keeping in mind the right appeal of products to ultimate consumers worldwide.

Our integrated production follow up system always ensure the production status and reporting correctly throughout the production process.

Since we are producing for reputed Brands worldwide; we strictly follow brands value and guidelines in terms of social, economic and environmental relevant impacts.

Our product range covers whole family (Men, Women & kids). Our safety protocol in production process strictly comply the safety rules and standards of Kidswear.

We have our own collection which developed and updated based on mood & trend of fashion market globally.

We are truly experienced to produce sweater in different type of materials such as Wool (Merino, Lambs), Cotton, Acrylic, Viscose, Polyester, Nylon and other blended fancy yarns those developed every season highlighting latest fashion trends.

Space Sweater Limited believes in Safe works – Better works – Better life.
